CCBC wants to help you WIN LEGO®s FOR YOUR SCHOOL!

Lego bricks have proven to be an invaluable learning tool at all stages of education, from Duplo® for preschoolers to robotics products for teens and adults. LEGOs help kids use their imagination and understand Science, Technology Engineering & Math (STEM) concepts. However, not many kids or parents make the connection between **LEGOs and reading & writing**! Until now…

This summer, CCBC Youth Summer Camps is offering ***Stories Come ALIVE with LEGOs camp***, a week-long ½ day camp offered 3 weeks this summer for kids ages 7 – 12 (2nd – 5th grade):

June 23-27	9:00am-12:00pm
July 14-18	9:00am-12:00pm
August 4-8	9:00am-12:00pm

CCBC wants to help parents and educators keep kids engaged in reading and writing over the *CRUCIAL* summer months when most kids fail to continue to progress in these areas.

Stories come ALIVE with LEGOs camp will utilize LEGO Education's **StoryStarter Program**.

LEGO StoryStarter enables kids to visually create a story, developing it scene-by-scene with LEGO bricks. Kids who have difficulty putting their ideas to paper can physically build the story to help communicate its content. Kids see the characters and artfully develop them and their adventures.

Not only will kids have a great time building with their favorite toy, they will enhance their skills in:

Reading ∗ Creative Thinking ∗ Analysis ∗ Reading Comprehension ∗ Teamwork ∗ Communication & Writing!

LEGO StoryStarter has project-based language arts activities correlated to the COMMON CORE STANDARDS! Kids attending ***Stories come ALIVE with LEGOs camp*** will come back to school better equipped to meet and exceed these expectations. Teachers will LOVE having these kids in class!

CCBC wants to play a part in assisting Beaver County schools educate our kids.
To show our commitment to our area students,
CCBC will DONATE the LEGO Storystarter Program to the school with the most kids attending our *Stories come ALIVE with LEGOs camps*!

CCBC will provide the winning school with the full StoryStarter package that comes with:

- 24 project-based language arts activities correlated to Common Core Standards
- A learning Grid aligning activities to key standards and objectives
- Rubric samples to help ongoing student self-evaluation
- Lesson plans, student worksheets and Story Visualizer software

$700 VALUE

CCBC will award the StoryStarter program to the school with the most camp attendees. The program can be used by teachers for the 2014-15 school year.

REGISTER YOUR KIDS TODAY TO WIN!!
