

CCBC LIBRARY USING LEARNING EXPRESS LIBRARY

Learning Express Library is an interactive database of **basic skills tutorials** and **academic and professional practice exams**, such as the GED, SAT, Civil Service, Nursing School Entrance Test, PRAXIS, and many more. To access Learning Express:

1. Go to the [BCLS web site](http://www.beaverlibraries.org), <www.beaverlibraries.org> and click the link to "Learning Express" on the right hand side.
2. Scroll down and click the "Register" button, under "New Users".

The screenshot shows a login/register interface. On the left, under 'Returning User Login:', there are input fields for 'Username:' and 'Password:', and a 'Login' button. On the right, under 'New Users:', there is a 'Register' button. A red arrow points to the 'Register' button. Text between the columns says 'Begin using LearningExpress Library now!'.

3. At the Registration screen, enter your **library card barcode number as the username** and create your own password and enter it twice. Then enter your e-mail address.

The screenshot shows the 'New User Registration' form. It has three input fields: 'Username:' containing the number '2555511111111111', 'Password:' with masked characters, and 'Verify Password:' also with masked characters. Each field has a red asterisk to its right. A 'Register' button is at the bottom.

Please make a note of your password and keep it safe but accessible. Registration creates your own account called "My Center," which allows you to use any of the available tests, courses, or eBooks.

4. Select "Beaver County Library System" at the next window and click the "Continue" button.
5. Choose the appropriate subject from the list and click on the title of the desired test or tutorial. If you do not have time to finish the test you are working on, you may save your work and return to it at a later date.

The screenshot shows the 'Choose Your Library' screen. It has three radio button options: 'Milwaukee Public Library (Milwaukee Public Library)', 'Beaver County Library System (Beaver County Library System)' (which is selected), and 'None of the above'. A 'Continue' button is at the bottom.

"My Center" is completely private; only you can see it. The next time you access Learning Express, and click "My Center" you will be able to see the list of test-prep materials you have worked on and your grades.
